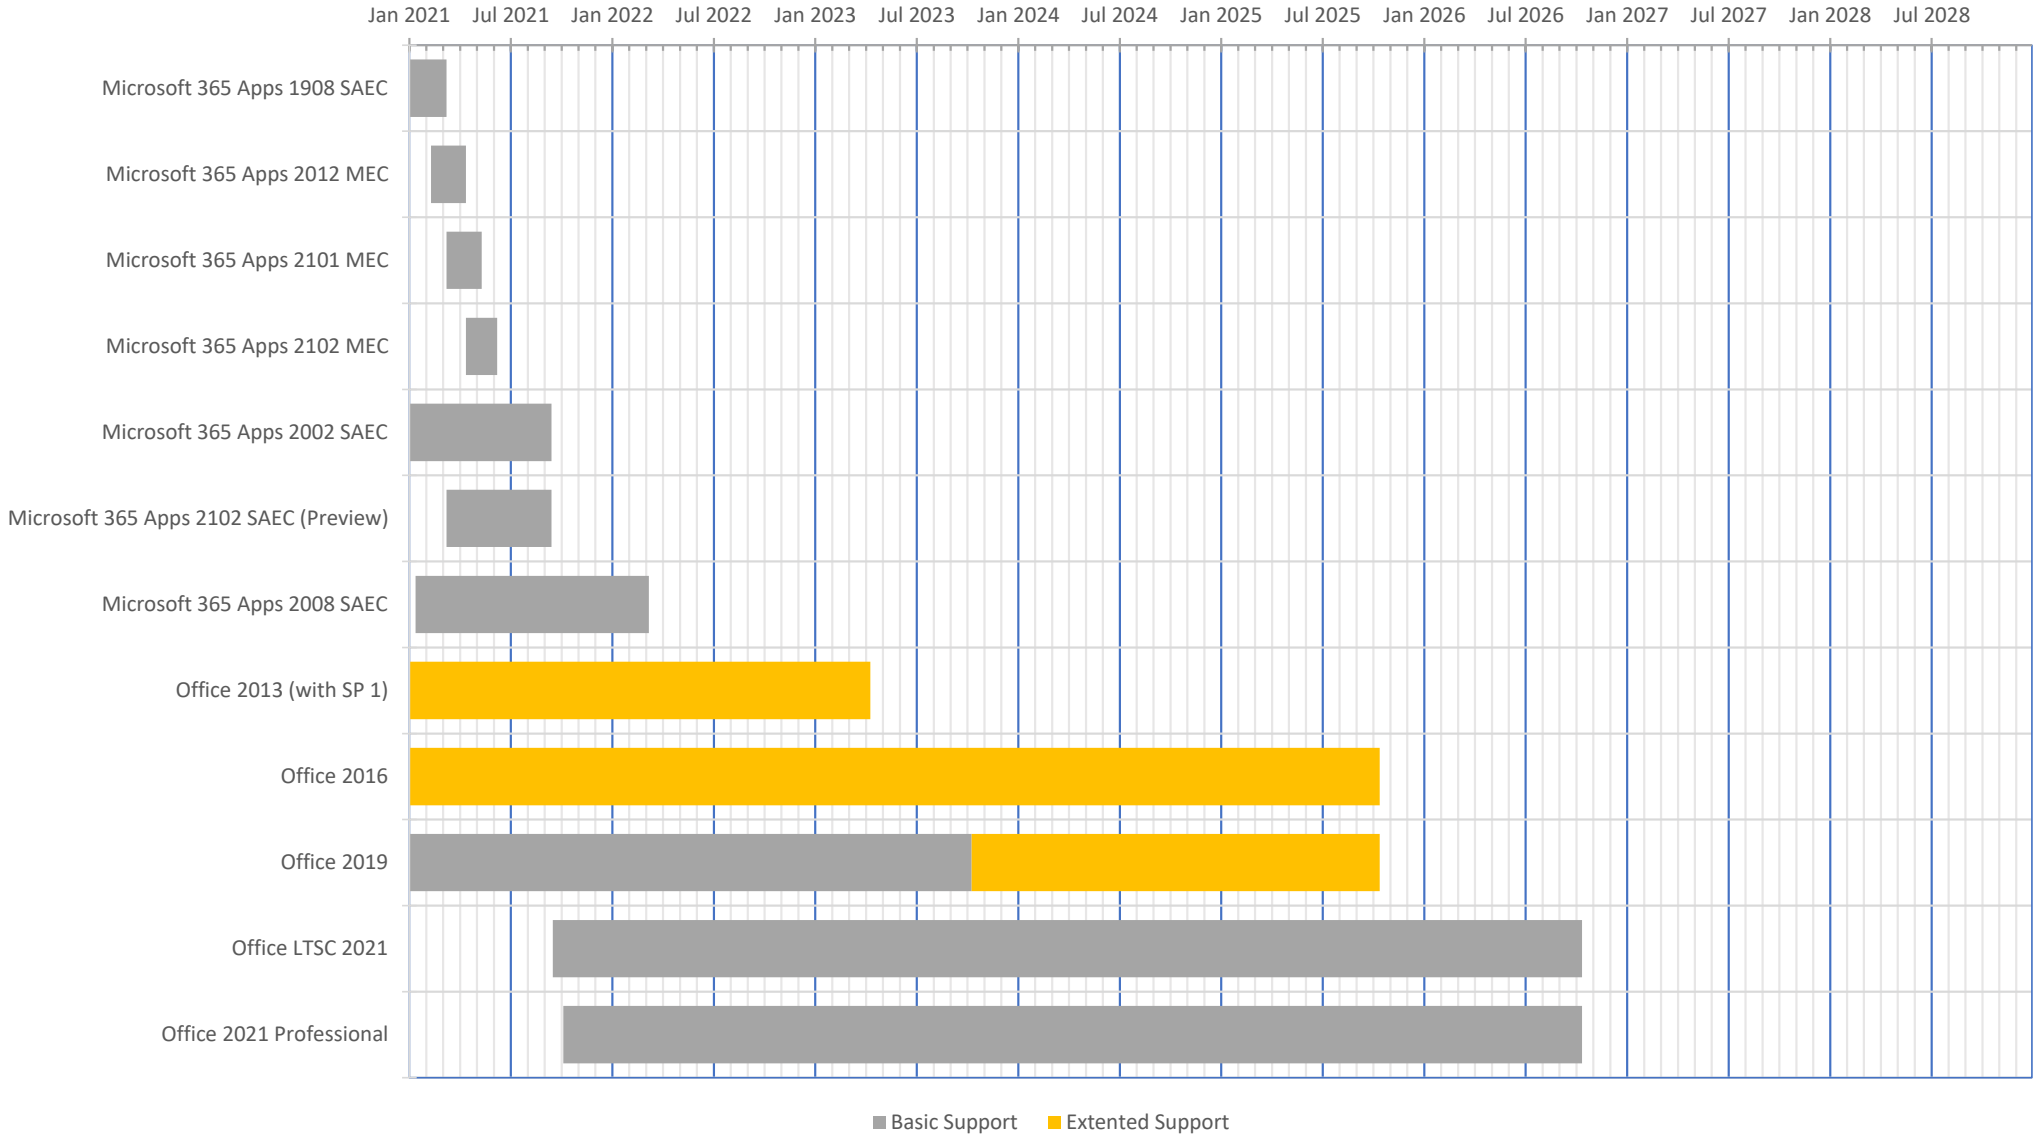
Microsoft Support Lifecycle Overview Diagram

Status: October 06, 2021
All information is without guarantee of correctness and completeness.



You can find more information and current data for all Microsoft products at: https://support.microsoft.com/en-us/hub/4095338/microsoft-lifecycle-policy
Products without Extended Support are subject to the "Modern Lificycle". You can find more information here: https://support.microsoft.com/en-us/help/30881/modern-lifecycle-policy
Support start refers to the first release. Support end refers to the last service pack, if available.
